() I have had lessons on a band instrument.

Which one? _____ For how long? _____

Please select a 1st, 2nd, and 3rd instrument preference by circling the number next to the instrument you are interested in. You must make three choices to be properly considered in the band instrumentation.

If flute, clarinet, trumpet, trombone or percussion is one of your three choices, please check one summer lesson time preference underneath the instrument choice. Instruments without choices are only given lessons during one time, and therefore, do not have optional times. Please indicate if you own any of the instruments below. Please know that if you own an instrument already, it does not guarantee a spot in that section of the band!
