Kids Club Summer Blast program philosophy provides a framework for providing an enriching educational and recreational environment that enhances the development of kids to explore who they are and grow socially through the following areas:

- **Brain Builders** – provides opportunities to experience, discover, experiment, problem solve, and reinforce skills to be successful in school
- **Creative Arts** – invites kids to explore creativity and individual expression
- **My Social Network** – encouraging social and emotional growth; to develop awareness of community needs; develop empathy for others
- **Moovin' & Groovin'** – activities to promote healthy habits
- **Lifelong Learning** – learn new ways of using leisure time and help them discover talents and abilities that can lead to lifelong hobbies or careers

Swimming Options:

Centennial Community Pool

Open Swim June 18 – August 2

BH – M&W 2–3 pm

CT – T & TH 2-3 pm

Lessons available through Community Education at both sites for additional fee.

Further info in packet.

Special Privileges for 5th & 6th grades:

In addition to all the regular activities, the older kids will participate in monthly service projects, attend 2 extra field trips, and have the opportunity to help plan and lead activities for the younger children, allowing them to discover and develop their leadership, initiative, and mentoring skills. Two visits to the middle school will also be scheduled to help familiarize them with the floor plan.
