

We Hold Ourselves Accountable

For These Values and Attitudes

Students - *We focus on the acquisition of high-level academic skills and the healthy social, physical and emotional development of our students.*

Staff - *We are supportive, dedicated, and committed to our school. We foster growth in all members of the Golden Lake Learning Community.*

Community - *We focus on the idea that a school can and should be a center for all members of the community to participate, contribute, and promote the learning and well being of children.*

Excellence - *We inspire our students to achieve their full potential and to passionately pursue excellence in everything they do.*

Integrity - *We are reliable and promote honesty and a firm sense of fairness in our interactions with one another.*

Global Education -

Cultural Competence - *We respect, celebrate, and learn from our differences and it is central to what ties us together.*

Peace in our World - *We are a peace site and are committed to:*

- *A Peaceful, Healthy World,*
- *Cultural Understanding,*
- *Human Rights*

Environmental Stewardship - *All things are interconnected; we recognize and accept our obligation to act responsibly to protect the environment and conserve our resources.*

Citizenship - *We develop self-directed, respectful learners who contribute to the betterment of our school, our community and society.*

Focus on the Future - *We honor our history while making school improvement as a result of continuous evaluation.*
